DEPARTMENT OF COMMERCE GIVES REPORT

Sends Financial Statistics of the State Government of Kentucky for 1926.

PER CAPITA DEBT LESS

Washington, D. C., Feb. 24.—The Department of Commerce announces a summary of the financial statistics of the State of Kentucky for the fiscal year ending June 30, 1926.

Expenditures

The payments for maintenance and operation of the general departments of Kentucky for fiscal year ending June 30, 1926, amounted to \$16,885,279, or \$6.71 per capita. This includes \$4,891,536, appropriations for education to the minor civil divisions of the State. In 1925 the comparative per capita for maintenance and operation of general departments was \$6.56, and in 1918, \$4.34. The interest on debt amounted to \$836,907; and outlays for permanent improvements, \$10,004,319. The total payments, therefore, for expenses of general departments, interest, and outlays were \$27,727,505. The totals include all payments for the year, whether made from current revenues or from the proceeds of bond issues.

Of the governmental costs reported above, \$11,709,893 were for highways, \$2,633,674 being for maintenance and \$9,176,134 for construction.

Revenues

The total revenue receipts of Kentucky for 1926 were \$28,267,688, or \$11.24 per capita. This was \$10,544,502 more than the total payments of the year, exclusive of the payments for permanent improvements, and \$549,183 more than the total payments including those for permanent improvements. This excess of revenue receipts is reflected in payment of temporary debt, not shown in this summary. Property and special taxes represented 39.2 per cent of the total revenue for 1926, 38.9 per cent for 1925, and \$2.93 in 1918.

Earnings of general departments, or compensation for services rendered by State officials, represented 7.8 per cent of the total revenue for 1926, 7.7 per cent for 1925, and \$10.8 per cent for 1918.

Business and non-business licenses constituted 24.3 per cent of the total revenue for 1926, 31.8 for 1925, and 18.6 per cent for 1918.

Indebtedness

The net indebtedness (funded or fixed debt, sinking fund assets) of Kentucky on June 30, 1926, was \$2,305,408, or \$0.92 per capita. In 1925 the per capita debt was \$0.99, and in 1918 \$1.08.

Assessed Valuation and Tax Levies

For 1926 the assessed valuation of property in Kentucky subject to ad valorem taxation was \$2,933,366; the amount of State taxes levied was \$10,325,291, and per capita levy \$4.10. In 1925 the per capita levy was \$4.04, and in 1918 \$2.81.

Quadruplets Born In Lee County, Va.—Three Still Live

What is considered the most unusual happening in this section for many years, took place in Lee county near Pennington Gap when Mrs. Marshall Johnson gave birth to four babies, three girls and one boy, last Thursday, the boy dying immediately after birth. According to latest information from there the surviving babies and mother are doing nicely.

A physician could not be located when the children were born and Mrs. Johnson was attended by two neighbor women until medical aid was secured the next day. The mother is extremely proud of her three children and regrets very much that the little boy did not live.—Big Stone Gap Post.

Morgan Bros. Are Having Big Sale At Neon Store

Morgan Brothers are having a "money-raising" sale at their Neon store, beginning Saturday, February 26. The entire stock will be offered at special prices, for expenses of general departments, interest, and outlays were \$27,727,505. The totals include all payments for the year, whether made from current revenues or from the proceeds of bond issues.

"GIVE GOD A CHANCE"

Is Methodist Evangelist's Words to People—Coming Sunday.

Rev. O. H. Callis, general evangelist of the M. E. Church South, who comes to Whitesburg to begin a series of revival services next Sunday, has adopted as a slogan for his meetings, "Give God a Chance."

Services will begin with the eleven o'clock hour on Sunday morning, and will continue for two weeks, every evening with the exception of Saturday evenings. Day services will also be announced later.

Reverend Callis has just closed a successful revival at Lakehurst, N. J., and comes to this city fired with the zeal born in success there. He not only has the endorsement of the local denomination but is in possession of testimonials, freely given him by ministers of other denominations, of which the following are good examples:

What Other Pastors Say

Rev. E. W. Davis, pastor of the First Baptist Church, Sellersville, Ky., says of him: "The Rev. Mr. Callis endeared himself to the people of our town. His preaching rings true, his heart is warm and tender, and his stay with us has resulted in magnificent kingdom expansion."

Rev. A. H. Doak, pastor of the Presbyterian Church at Georgetown, Ky., comments him with these words: "Let me commend Rev. O. H. Callis to any church looking for a hustler to push things along, and at the same time be a spiritual blessing. My people have been delighted with him."

Such statements from ministers of other churches, bespeak for Mr. Callis a warm welcome by the people of our town, and, may Methodists alone. The outlook for a revival is most promising, and the co-operation of all Christian people is urged.

RILEY HALL DIES

Riley Hall, one of Letcher's oldest citizens, died of dropsy Friday night, at the age of 75 years. He was buried in the Potter cemetery at Hemphill Sunday.

Rev. T. P. Johnson conducted funeral services. Mr. Hall was a brother to the late Thomas Hall, and the late Benjamin Hall, father of N. B. Hall, of this city. Mr. Hall is survived by his wife and several relatives. He had no children.

"I Gave Up \$10,000 a Year For My Hens," Says Anchorage, Ky., Man

"It took me forty years to realize my boyhood dream of owning a farm and a fine big flock of hens. And I'd hardly got started at it when along came an offer of better than \$10,000 a year to go back to my old business—buying for a department store," says C. A. Greenman, writing for Farm and Fireside this week.

Mr. Greenman had the nerve to turn down this offer, because he thought he could make money in the chicken business, and he is making money. Last year he cleared \$3,000. He runs a modern poultry farm of 20 acres, and markets most of his eggs and chickens direct in Louisville.

State Almost Certain To Get U. S. Hospital

Washington, D. C., Feb. 16.—A favorable report was ordered today by the house committee on World War veterans legislation, on the bill making appropriation in a lump sum for several veterans' hospitals. While no specific site is mentioned in the appropriation bill, the report of the committee recommends that one hospital, to cost not less than \$1,000,000, be erected somewhere in Kentucky, and it is reasonably certain that the bill will pass, and that Kentucky will get such an institution. Congress will not undertake to select the location, which will fall to the director of the veterans bureau, but it is apparent that there will be a scramble for the location of the institution.

Nearly a dozen cities in Kentucky are seeking selection as the hospital site, and there are six in the Seventh Congressional district. It looks as though it would be a contest between Louisville and the field, with the field uniting eventually on some city which may give promise of defeating Louisville. Lucien Beckner, of Winchester, was here today in the interest of Winchester. If located in Kentucky, the institution will be especially for neuro-psychiatric patients.

Girls of Latin Class Give Play Tuesday Evening

The play, "The Girls of 1876," given by the girls' division of the Caesar class on Tuesday evening of this week was a high class performance.

There was a large and appreciative audience. Admission was ten cents for everybody, and the door receipts amounted to \$29.10. The play was a thrilling story of colonial and revolutionary days.

Miss Hazel Fields, a true subject of the king, depicted the character of a proud and haughty loyal English woman. Her two daughters, Misses Nasarita Hays and Mabel Blair, played their parts in the same manner as their mother.

Misses Evelyn Back, who had the leading role, and Viola Combs were on the side of the colonists, and took many desperate chances trying to aid Colonel Washington.

The character of the little French Canadian maid was portrayed to perfection by Miss Rosa Hays, who was taking care of the old grandmother, as played by Miss Myrtle Hammock.

The minor characters played their parts equally as well in proportion to their importance as the major characters. The little negro slaves gave a happy air and created laughter every time they came on the stage. A minute of the days of '76 was one of the main features of the play. Every character was well chosen and seemed especially fitted to his part. The play was directed by Mrs. Harris.

W. A. Wothers, of Hazard, of the Wothers Maytag washing machine company, was in Whitesburg on business Wednesday.

LETCHER WINS FROM PERRY

Fast Basketball Game Saturday Night Results in 24-14 Victory.

Bill Turner's Blue Jays came to Whitesburg last Saturday night and again engaged Henry Holbrook's Independents in a struggle for honors. The game was swift and hard-fought, but the local boys carried the honors, 24 to 14.

Captain Holbrook brought a keen team down from Neon. Pelter played an unusual game, scoring 8 points. Tolliver also came up with the same number of points. Hall made 4 at Hampton 4. Fields did valuable work on the floor, and in defense.

David Stars

David from Hazard was star for the visitors, making 10 of the 14 points. If he could have slipped through the Independents' defense a little oftener, the results might have been disastrous.

Combs was referee and Glenn was scorekeeper.

E. L. FRAZIER IS CHAIRMAN OF C. M. T. C. FOR LETCHER COUNTY

Atty. Emery L. Frazier has been appointed chairman of the C. M. T. C. for Letcher county for 1927. The quota will be 20. The boys will be sent to Camp Knox for 30 days, with all expenses paid.

Mr. Frazier says that the first applicants will be given first choice, so if any boy wants to go to camp and have a splendid vacation free of charge and at the same time get valuable training, this is a good chance. The men from this division will be called sometime in July.

Miss Blanche Hogg left for Lexington Wednesday for a visit with friends. She will be gone about a month.

Miss Dixie Webb visited Mrs. Jesse Holbrook at Millstone Sunday.

Misses Ruth and Norma Broad, of Sergeant, were visitors in town Tuesday.

New Yale Dean Is Son of Head of Berea College—Only 28 Years Old

Robert M. Hutchins, at 28, has begun to act as dean of Yale Law School for the year 1927-28. He is the son of William J. Hutchins, president of Berea College.

Mr. Hutchins' appointment is to fill the vacancy left by the resignation of Thomas W. Swann, who entered office on Monday as Judge of the United States Circuit Court of Appeals.

The son of our mountain college president has had an eventful career, including war service,

School Board Asks For Bids On New School Building

Advertisement for bids on the new school building for Whitesburg appears in the Eagle this week. When you have an opportunity examine the water colored picture of this building in the window of Letcher State Bank.

This building is the very latest in Architectural design, and the people of Whitesburg will be very proud of it when erected. The Educational Board has the interest of the children of the district at heart and need your support in this undertaking.

There also appears elsewhere in the Eagle a Financial Statement as made by the Auditor of the Department of Education at Frankfort, and we ask you kindly to read this report. It is published for the information of patrons and taxpayers, so that they may know what is being done with their money.

Wilson Miles Is Wounded Severely On Sunday Night

Wilson Miles, of Cowan, received a dangerous knife wound in the abdomen Sunday night in what is reported to be a general fight among several men. The wound is of such a nature that the doctors say his chance for recovery is slight.

Archie Day was arrested on the charge of cutting Miles, by Constable John L. Day, but he escaped into Virginia. He and Miles are brothers-in-law. He is the son of David Day.

Miles is 22 years old and Day is about 17.

MINE FOREMAN, FIRE BOSS EXAM MARCH 7

Applicants for mine foreman and fire boss certificates will be examined at the office of W. H. Jones, chief inspector of mines, in the mining building at the University of Kentucky, Lexington, on March 7.

The board of examiners will meet on this day. The members are: W. H. Jones, chairman; Mart V. Allen, secretary; George F. Neal, operator member; Z. A. Benton, miner member; James A. Dixon, assistant inspector, and J. E. Boettger, assistant inspector.

Misses Gertrude Lewis and Wilma Back visited friends in Lexington and Georgetown over the week end. Miss Verna Back returned with them for a visit with friends here.

LETCHER FISH GAME AND GUN CLUB FORMED

Group of Men Organize to Foster All Branches of Clean Sport.

DR. SLOAN PRESIDENT

Tuesday night a group of local men and three representatives from the Perry Fish, Game and Gun Club met in the office of the Letcher County Leader and organized the Letcher Fish, Game and Gun Club.

The Hazard sponsors, who are now honorary members, are: Dad Woolley, veteran protectionist and United States game warden; District Warden D. R. Shepherd; and R. O. Davis, business man and sportsman.

The members enrolling Tuesday night are: J. D. Sergeant, W. S. Long, Robert Blair, Sr., Robert Blair, Jr., W. L. Barley, Dr. S. M. Childers, Chas. Blair, D. W. Little, Dr. P. E. Sloan, E. L. Williams, Ted Bentley, J. L. Crawford, Dennis Combs. Other men have since then added their names to the list. More than a hundred men have stated that they are ready to join.

Will Get Re-stock

The club was organized to protect and propagate fish and game, and to organize into a shooting club. Its purpose is to secure adequate protection for the fish and game already here, and to get re-stock from the State game and fish commission at Frankfort.

Officers were elected as follows: President, Dr. P. E. Sloan; vice presidents: Bob Blair and E. L. Williams; secretary, D. W. Little; propagation on game, Ted Bentley; propagation on fish, Chas. Blair; field captain, W. L. Barley; wardens, Bill Long and Chas. Blair; sergeant-at-arms, M. T. Reynolds. Other officers and executives will be appointed later.

Meet March 3

Dad Woolley, who is now a member of the State Executive Committee, assures the local club that it will be able to get both birds and fish for re-stocking purposes.

The next meeting of the club will be on Thursday night, March 3, at 7:30 o'clock at the City Hall. All who are interested in the work that the club proposes to do are urged to be present and help to get the program organized and started. The membership fee is only one dollar a year. The club will be affiliated with the Kentucky Fish and Game Commission and the American Game Protective and Propagation Association.

CLUB WOMEN MEET

The Whitesburg Woman's Club met in the Club rooms Saturday, February 12, in business session. A number of business problems were discussed, one of which was the plan for a reception or banquet on St. Patrick's day.

After the business was finished, we adjourned to meet again February 26, for regular program. All members are urged to attend.

NOTHING NEW

A few days ago several hundred Harvard students had a scrap with policemen of the city of Cambridge, Mass. That was nothing new, for college students have a habit of getting into rows with officers occasionally. They don't mean any harm by this. Just horse play.

In this crowd of Harvard students was a young man from Kentucky. That was nothing new, for if there was a student from Kentucky in the university, and there was a scrap, of course he was in it.

During the fight, policemen say, he was the most active, hitting one man on the chin, and kicking another in the stomach, and otherwise showing his strength in such a way that it took four men to put him into the patrol wagon.

That's nothing new, because a Kentuckian has a habit of putting everything he's got into anything he does, right or wrong—and the saints have mercy on anybody's chin or stomach that gets in the way.

HUSBANDS, BE HAPPY!

A recent news story says that the "whipping post" advocated for wife beaters by Mayor Alfred N. Phillips, Jr., of Stamford, will not be put in use in Connecticut. The house of representatives rejected the bill which provided for the lashing of wife beaters.

Women just about control everything now, but it's a cinch they do not control the Connecticut House of Representatives.

THE SPORTSMAN'S CLUB

The Letcher Fish, Game and Gun Club, organized Tuesday night, is sponsoring one of the most worthy causes in the mountains: protection and propagation of game and fish.

We used to have both game and fish. Both may be brought back. This may look like a broad statement, but a glance at what is being done in other places will prove the truth of it.

In Pennsylvania it is estimated that game and fish are more plentiful than when the settlers arrived in pioneer days. Last year 8,000 deer and 2,200 black bear were killed, to say nothing of the countless number of fish taken from the streams and smaller game shot.

But we do not have to go to the far-off places to see results. The Perry Fish, Game and Gun Club began a few years ago to protect and propagate its fish and game; and last year in the very city of Hazard 2,000 bass were caught, not to mention the other kinds of fish. A few years ago the river there was completely "fished out."

The organization of the Letcher county club completed the North Fork territory.

Dad Woolley, the pioneer for game protection in this section, and R. O. Davis, prominent business man of Hazard, have the promise of the State Game and Fish Commission that we can get anything we want now, in the way of fish to restock the streams and quail for the hills. Forty-eight quail have already been consigned to this county and fish will be released in the streams within a short time.

The newly organized club needs the hearty support of this section. There is nothing exclusive or selfish about the club. It urges all men who love the sport of rod, gun and dog to come in and help.

A BOOST A WEEK

The Telephone System

Under this heading we plan to boost briefly one topic or subject or institution each week. The selection will be haphazard. Whatever or whoever comes into mind will immediately be the subject.

This week, for example a special little courtesy, a service that the operator could have denied and still rendered money's worth, which was nevertheless given, inspired comment on the telephone system of Whitesburg.

Three times within the last week the Whitesburg telephone company has given us this little extra service. Twice this week we have heard traveling men mention the good telephone service they were given.

Do these little courtesies merit a boost? You tell 'em!

OKLAHOMA MAN

WINS I. C. C. POST

Earl Brainerd, Jr., of Oklahoma, was nominated last week to the interstate commerce commission. He succeeds Frederick I. Cox of New Jersey, who was not re-appointed on the completion of his term recently.

Originally President Coolidge nominated Cyrus E. Woods, of Pennsylvania, former ambassador to Spain and Japan, to the post, but the senate refused to confirm the selection. The coal interests of Kentucky were opposed to him because of the "red" they feared he would take on the lake rate case.

Mr. Brainerd is a Republican.

PARTY

Misses Margaret and Rosemary Gault were hostesses to quite an enjoyable party Tuesday afternoon from 2 o'clock till 5.

Games and music formed the chief diversions. It being February 22, Washington birthday favors were presented to all of those present, in keeping with the occasion. There were 27 present, both the girls and boys of Mrs. Gault's and Mrs. Stephen Combs' Sunday school classes.

The girls were assisted in entertaining, in addition to their mother and Mrs. Combs, by Misses Ethel Adams and Willa Mae Lawrence. Refreshments were served.

LETTER TO EDITOR

Pikeville, Ky., Feb. 20, 1927
Editor Eagle,

I notice that you have left my announcement for Commonwealth's Attorney out of the paper of date Feb. 17.

I wish you would advise me why this was done. In your next issue of the paper I want you to explain to the public why you left it out. If people should think that I am not running the advertisement it would give out the idea that I am not in the race.

I take it that you did it merely by mistake; however, if there was any other cause let me know, for I certainly want it in every issue of your paper.

I paid you the fee for running the adv. when I first had it placed in the paper.

Thank you. Truly yours,
O. A. STUMP.

Editorial Explanation—The announcement was left out by oversight upon our part; but Mr. Stump's name was carried as usual in our column of candidates' names, so we trust that nobody thought that he had withdrawn. We regret the omission.

Political Announcement

To the Republican Voters of the 35th Judicial District:

I take this method of announcing myself as a candidate for the office of Commonwealth's Attorney, subject to the Republican Primary Election August 6, 1927.

REPORT OF INSPECTION AND AUDIT OF THE OFFICE OF THE WHITESBURG GRADED SCHOOL BOARD AND OF J. D. SERGENT, TREASURER OF SAID BOARD, AND B. P. SERGENT, SECRETARY, FOR THE YEARS

JULY 1, 1924-JUNE 30, 1925, JULY 1, 1925-JUNE 30, 1926
Hon. McHenry Rhoads, Superintendent Public Instruction, Frankfort, Ky.

Dear Sir:—I beg to submit to you, herewith, report of my audit and inspection of the office of the Whitesburg Graded School Board, and of financial records and accounts of J. D. Sergent, Treasurer of said Board, and B. P. Sergent, Secretary.

Respectfully submitted, W. L. Threlkeld, Special Auditor

WHITESBURG GRADED SCHOOL—FINANCIAL RECORD

Mr. J. D. Sergent, the Treasurer of the Whitesburg Graded School, has kept the Financial Record in an excellent manner. The receipts have all been duly entered under the proper captions showing the respective sources of the receipts.

The disbursements have been duly entered under the proper captions showing the several amounts expended for the various purposes. The monthly summaries have been made and transferred to the place allotted for same; likewise the summaries of receipts have been transferred, and from these summaries monthly recapitulation of balances at the beginning of each month, the receipts for each month and the disbursements of each month, showing the balances in the Treasury of the Whitesburg Graded School Board at the close of business every month.

The Financial Record is a model of neatness and accuracy. The figures are well made, the writing is very legible and the Record is absolutely free from blots or blemishes of any kind.

The vouchers were found to be consecutively arranged and were checked with great facility. It was a pleasure to find an official who has been so faithful in the discharge of his duty. Every courtesy was extended to your Auditor in his examination and inspection by Treasurer Sergent, and your Auditor is happy to place upon record commendation of Treasurer Sergent.

Both receipts and disbursements were verified by the records of the Department of Education, by the depository banks with which the accounts of the Whitesburg Graded School have been kept during the two years upon which report is here made; also by the Tax Collector's receipts and by the records of the office of the Letcher County Board of Education which showed the amounts received and disbursed to the Whitesburg Graded School by reason of railway, tangible and franchise taxation and for tuition.

Sinking Fund

The Board has outstanding bonds issued for the erection of the school building. For the redemption of these bonds the Whitesburg Graded School Board is maintaining a sinking fund—setting aside annually amounts needed to redeem the bonds.

Interest coupons that have matured were found among the vouchers duly cancelled and mutilated.

INTERESTING SENTENCE

BY JUDGE EVENTON WARD
IN 1879 GIVEN BELOW

The following copy of the death sentence imposed upon Laban T. Walker, at Wayne W. Va., was clipped from the Bluefield newspaper and handed us by T. E. Brooks, of Millstone. The case created wide interest at the time, and the words of the judge are very impressive:

"Laban T. Walker, this is a sad, solemn, and trying hour to you, and a most unpleasant one to me. I am now called upon to perform the most painful duty of my public life; but it is a duty, my high and solemn duty, a duty I owe to society and government, and which I must perform. Had you performed the obligations resting upon you as a man and citizen, and lived uprightly, I hurt nobody. I would have spared the painful feeling of this occasion, and you would not now be compelled to drink this cup of bitterness to death."

"But you have disregarded the obligation you owed to society, and shown to the world that you possessed a heart desperately depraved and fatally bent on mischief. The kinder and nobler feelings of your nature seem not to have found a lodgment in it. You have wantonly and wickedly imbedded your hands in the blood of your fellow-man, and that blood now cries from the earth against you. You have taken the charmed life of a human being, and sent a creature bearing God's image unbidden into his presence; you have taken that which you cannot restore—that which all the demons in purgatory, the men on earth, or the angels in heaven cannot give. No creature in heaven above or earth below can give life to a blade of grass, save God alone. By taking life, you have robbed a creature of his all in all—that a man hath will to give for his life—is the precious gift of the immortal God. Had Pat Nolan been possessed of all the treasures of earth, in order to save his life and live out his allotted days, he would have surrendered them. But you gave him no chance for supplication, not a moment of time in which to say, 'Lord, be merciful to me, a sinner'; but robbed him in an instant of the most precious jewel, earth's pearl of price, and sent him unannounced and unappointed into the undiscovered land; cut him off from every earthly enjoyment, closed his eyes forever to all the loved and endearing, the break and the river, the scenes of earth, to the hill and the floating clouds, sun, moon and stars—to these and all things else he must bid a long and final adieu. Farewell to the world—farewell to the heavenly home—farewell to wife, children and friends—farewell to all farewell forever. Oh, that word forever! 'Tis an endless circle. Could the poor weary soul journey around it for a million years, and end would not be reached, and should it cry out in the language of despair, How long, O, how long! the echoing answer would be forever—ever—ever."

"There is a law said to have been penned more than 3000 years ago—it has come down to us over the long track of time, hoary with age—Thou shalt not kill. The penalty attached to its violation was penned about the same time, he who sheddeth man's blood by man shall have his blood shed. This law you have violated, this dreadful penalty has been attached to your offense. You have been indicted, tried and found guilty, and it now becomes my painful duty to pronounce the terrible sentence of the law upon you; but before doing so I give you my parting advice. Remember that there is a great and unerring judge before whom all the judges of earth must appear; that he is infinite in power, wisdom and mercy. Give up all worldly expectations, fall at his feet, send

away your prayers to the throne of his heavenly grace, and you may yet hear a still small voice—son, thy sins, which are many, are forgiven thee; though they be as scarlet, I will make them as wool."

"The sentence of the law is that you be taken from the jail of this county by the sheriff on Friday, the 28th day of November, 1879, to a place of execution selected by said sheriff, and that you then and there be hung by the neck until you are dead; and may th Lord have mercy on your soul."

DR. G. F. CRAMER COMING TO LETCHER COUNTY

Our readers will remember Dr. G. F. Cramer, as he once resided in Whitesburg for a short time. This was ten years ago or thereabouts, and the doctor at that time was engaged in the picture business.

Since then he has identified himself with Chautauqua work, his field being in the common schools of the country. In the past few years he has conducted this work with great success in Eastern Kentucky and in Virginia.

Dr. Cramer works in complete harmony with County Superintendents and boards of education. His program consists of a series of lectures, illustrated by stereoscopic slides, and brings to the mind and the eye history, psychology, logic, voyage and discovery, the primitive red man, a trip around the world, and other matters and things not obtainable in any other way.

Dr. Cramer writes us that he will soon come to Letcher county to engage in this educational work. His friends and the public will gladly welcome him.

Bad Color

(liver trouble)

"OCCASIONALLY I am troubled with spells of constipation and inactive liver," says Mrs. John L. Pence, Broadway, Va. "I always use Theodore's Black-Draught when I feel a spell of this kind coming on, for it gives me a bad headache. My color gets sallow at times. I get real yellow, showing that the trouble comes from the liver."

"I have found Black-Draught to be the finest kind of a remedy for this. I take Black-Draught and make a tea out of it, and take it along in small doses for several days. I have never found anything that served me so well. Since I have known about Black-Draught, I have not suffered nearly so much with headache, caused from indigestion. If I find my tongue is coated, and I wake up with a bad taste in my mouth, I know I have been eating indigestibly, and I immediately resort to Black-Draught to straighten me out."

STUART ROB-INSON NEWS

An ordinance has been passed by the town council at Blackey that all property owners must pave the street in front of their property. Work will be begun as soon as the weather permits.

The site for the new county school building at Blackey has been surveyed and construction of the building will begin the first of April.

The State Highway Commissioners have taken over the road from Garner to Blackey. The road will be taken care of by the State overseer at Whitesburg.

"Dad" Richards of Hazard, visited Blackey on Thursday and made an interesting talk to the students of Stuart Robinson School on the assassination of Lincoln. Mr. Richards is the only living man who was in Ford's theatre the night Lincoln was assassinated.

A new brick bank building is soon to be under construction in Blackey. The stockholders have not decided on the location yet. The bank is doing a rushing business which will no doubt increase in the years to come.

A game of basket ball was played last Saturday between Stuart Robinson School and Carr Creek Community Center on our court. Carr Creek won, score being 26-6. This is the third defeat of the season for Stuart Robinson.

The Men of the Church held a very interesting meeting at Stuart Robinson on Wednesday night. About fifteen were present and Mr. Richards, of Hazard, was the principal speaker.

A new radio has been installed in the school library.

ADVERTISEMENT FOR BIDS

Sealed bids will be received until 6 o'clock p. m. Saturday, March 12, 1927, for the furnishing of all materials and the erection of a school building, including all foundation and basement work, per plans and specifications now on file in the office of R. Monroe Fields and B. P. Sergent, of Whitesburg, Ky.

Also, at the same time bids will be received separate from the above for the installation and furnishing of all material for heating plant, plumbing and plumbing fixtures, per plans and specifications now on file in the above offices.

A Certified Check for two percent of the amount of your proposal must accompany each bid and the successful bidder will be required to give a Surety Bond covering the amount of said contract, and if said successful bidder fails or refuses to execute bond per above, then said check is to be forfeited to White Graded Common School Dist. No. 1.

White Graded Common School District No. 1, Whitesburg, Ky. By R. Monroe Fields, Pres. B. P. Sergent, Secy.

There will church services at the schoolhouse on lower Kings Creek the third Saturday and Sunday in March. Willis Tolliver, N. W. Meade and others will do the preaching. All others of the same faith and order are cordially invited to attend these services.

Remember "Eleanor of Cumberland Mountain," the biggest play of the season, here Saturday afternoon and night. Put on by the Kingdom Come Settlement School players for the benefit of their school.

See the new adv. of the Ideal Furniture Company of Whitesburg in this issue, and give them a call when in need of anything in their line.

JEREMIAH NEWS

Last Thursday Wesley Caudill went to Lexington to undergo an operation. He was accompanied by Leander Caudill and his wife and three children. Wesley did not have the operation, for the board of doctors met and took an X-ray of him and decided that he could be cured without operation. He has cancer of the stomach. He returned Sunday. I sure was glad of it. One of my boys died in the Good Samaritan hospital, but I trust Wesley can be cured.

Well, the stork flew over the home of Mr. and Mrs. Chas. Caudill and left two little babies, both weighing 6 pounds; Joseph and Mary. The mother and father are both in poor health. Yesterday the death angel came and took little Mary home.

The death angel at 2 o'clock yesterday entered the home of old uncle David Caudill and took him home. He was a good old Christian man and was loved by everybody that knew him. He leaves three sons and four daughters and many relatives to mourn his loss. His body will be buried in the graveyard at home by the side of his wife who died about 6 years ago. Uncle David was about 79 years old.

GOD'S BIG POWER HOUSE

Text. "But ye shall receive power after that the Holy Ghost is come upon you."—Acts 1:8.

Sometime ago I discovered that I did not have to depend on the great gigantic intellectual moguls of science to inform me that I have got religion. But I just found out that God has a high extension wave line that runs from earth to heaven, and that he has been broadcasting from the beginning of creation. And all I have to do is to tie onto it, and get my little old dried up heart of a battery recharged. Then I can tune in on heaven, and get the first stations in glory, and hear the music of heaven, with all the denominational static cut out. And it gives me such a thrill I shout Glory! In fact, I would not pay tax on a religion with the shout taken out of it.

Some people don't believe in shouting. They remind me of a certain class of folks that are always dictating to others how to raise their children, when in fact they never had any experience themselves. They have joined, and been baptized with water, but know nothing of the baptism of fire.

And when it comes to witnessing for God, they have spiritual lockjaw. I thank God for the great reservoir that is connected with the power house of glory. My advice to anyone that is not happy in this world, is to tie onto God's high extension and get a shock from Glory! For it will take the dynamite and thunder of Sinai to wake some people up.

The greatest trouble with a lot of people is that they have grounded their wires, and when they can't get a good station, they just put up with any old thing to pass the time.

Say, friend, you had better be saving of your time and get all the good you can. And if you can't get a good station never give up trying until you do. So, think for yourself and act accordingly.

Hindman, Ky.

A COLD DAY IN SPRINGTIME

It was on one Sunday morning in our little Whitesburg, Town, when I rose from peaceful slumber.

There was snow upon the ground. My overcoat was up in Fleming. A distance of sixteen miles away.

So I spent the entire Sabbath Around the fire of D. I. Day.

If I had had sufficient clothing, To church I guess I would have gone.

And heard a minister's sermon And listened to some old-time songs.

But as it is, I'm comfortable. In my corner by the fire, Passing the time by reading stories

Of my choice and heart's desire. Mrs. Day doesn't seem so gloomy Because we have a little snow; She, too, just reads her papers; Does not want a place to go.

Lona reads a fashion book, Contented all the time, Finding snappy patterns To imprint upon the mind.

Earl is away in college, Doug has gone to town, Maud has gone to Sunday school, Forrest is loafing around.

So this is how the day was spent.

Not one seems to ever tire; Absorbed in books and papers, And cuddled around the fire.

(Scene of a cold snowy day in

Whitesburg, Ky., for a man who thought spring had come, and visited the city without his overcoat and other heavy garments.—G. H. Fuller.)

Attorney and Mrs. L. W. Fields, of Lexington, are here visiting relatives. Mrs. Fields is a daughter of Mr. and Mrs. D. W. Salyer, while Mr. Fields is a son of Judge D. D. Fields.

CAUTION

Complaints have been coming before the county officials in regard to the operating of various kinds of mint-vending machines, punch boards and slot machines by some of the merchants of the county.

Operation of any of these machines is in violation of Section 1960 Kentucky Statutes; and it becomes the official duty of the sheriff to investigate and see if any such are being used in Letcher county. The Court of Appeals has held that the law is valid. It is a felony for setting up and operating such a machine and the penalty is fixed by law at a fine of \$500 and from one to three years in the penitentiary.

The county officials do not wish to embarrass any merchant who is innocently operating such a machine; therefore, this warning is given with the hope that such operators will get rid of them without being forced to do so.
